

## Kentucky's Comprehensive Intervention Model (CIM) Framework

- The hierarchy in CIM looks very similar to Reading Recovery. UTC trainers serve as CIM Trainers, Teacher Leaders serve as CIM Specialists, and Reading Recovery teachers serve as CIM Interventionists.
- University Training Center holds the Site License for CIM in Kentucky, certification and graduate credit will only be available through UK.
- All Teacher Leaders will receive training in CIM in 2009/2010 school year for two semesters. Their certification will be as CIM Specialists. Training will include both coursework at UK and Clinical experiences at the established CIM sites:
  - **Karen Birdwhistell – Hart Co**
  - **Mary Beth Stevens & Cindy Goldstein – JCPS**
  - **Vickie Slone – KVEC**
  - **Marla Smith – Murray**
- There will be a two-day Summer Institute to kick off CIM Implementation in Kentucky – August 18 & 19, 2009.
